PART 01

About Kentford

SINGAPOWER silent generator sets

About Us

Integrated diesel generator solutions

PT Kentford Group Indonesia supplies quality diesel generator sets with professional services, from supply and installation to maintenance and after-sales support.

Backed directly by the factory

The Kentpower generator factory in Fuzhou, Fujian, has operated to international standards since 2005.

Based in West Jakarta

Daan Mogot City Apartment, GF Shophouse DS/A/08, Jl. Raya Daan Mogot Km 16, Semanan, Kalideres, West Jakarta.

2005	20+	100+	22–4,125	Nationwide
Factory founded in Fuzhou	Years of manufacturing	Units installed	kVA capacity range	Coverage across Indonesia

Vision, Mission & Motto

Vision

To be a leading power solutions provider that is trusted, innovative, and sustainable, focused on efficient and environmentally friendly energy.

Motto

Let's Create a Better Life Together

Mission

Quality products

Reliable generator sets and power solutions built on current technology.

Responsive service

Professional technical support focused on customer satisfaction.

Continuous innovation

Developing products and services for future energy challenges.

Environmental care

Sustainable business practices and efficient energy use.

Strategic partnerships

Working with suppliers and industry partners for consistent quality.

From Factory to Your Site

FACTORY → CUSTOMER

Kentpower Factory

Fujian Kent Mechanical and Electrical Co., Ltd. in Fuzhou, China, has manufactured generator sets since 2005.

Import & Distribution

PT Kentford Group Indonesia brings units and spare parts in directly from the factory.

Local Warehouse

Units and spare parts are stocked in Indonesia, supported by local sales and technical teams.

Customer Site

Delivery, installation, commissioning, and after-sales service at project sites across Indonesia.

KENTFORD

02

PART 02

Products & Services

Our Core Services

Generator Sales

Capacities and specifications matched to each customer requirement.

Generator Rental

For projects, industry, events, and temporary power, with technical support.

Installation & Commissioning

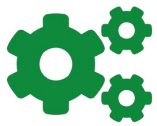

Installation, testing, and commissioning until the unit is ready to run.

Maintenance & Service

Preventive and corrective maintenance, troubleshooting, component inspection.

Spare Parts Supply

Spare parts and consumables that keep generator sets running.

After-Sales & Tech Support

Technical assistance after purchase and throughout the service life.

Products: Silent & Open Type

Silent Type

Fitted with a soundproof canopy to reduce noise.

Suited to commercial buildings, hotels, hospitals, projects, urban areas, and mining sites.

Open Type

No enclosure, for sites with a dedicated generator room.

Suited to factories, generator rooms, and industrial areas.

SINGAPOWER

玉柴机器 YC DIESEL

Our main generator brand

SINGAPOWER SPG series generator sets are powered by Yuchai engines with ECU governors. Available in silent and open types, 50 Hz, 230/400 V, 3-phase, from 22 kVA to 4,125 kVA.

The SINGAPOWER Brand

Authorized distributor

Holder of Authorized Distributor certificates from Kentpower and Yuchai Engine.

Engine options

Yuchai as standard. Cummins, Perkins, and Mitsubishi available on project request.

Alternator options

Kentpower, Stamford, and Leroy Somer for stable power output.

TKDN certificates

Local content certificates for silent and open types, supporting domestic procurement.

Engine & Alternator Partners

Engine partners: reliable and proven engines from leading manufacturers

Yuchai	Cummins	Perkins	Mitsubishi
玉柴机器 YC DIESEL	Cummins	Perkins	

Alternator partners: stable and reliable power output

- Kentpower
- Stamford
- Leroy Somer

PART 03

Strengths & Facilities

Why Choose Kentford

Factory Backing

20+ years of manufacturing

Generator factory in Fuzhou, Fujian, since 2005.

Proven quality

Stable performance, fuel efficient, easy to maintain.

Local Stock & Warehouse

Units ready to ship

Generator sets stocked in Indonesia.

Spare parts on hand

Less downtime during maintenance and repair.

Technicians & After-Sales

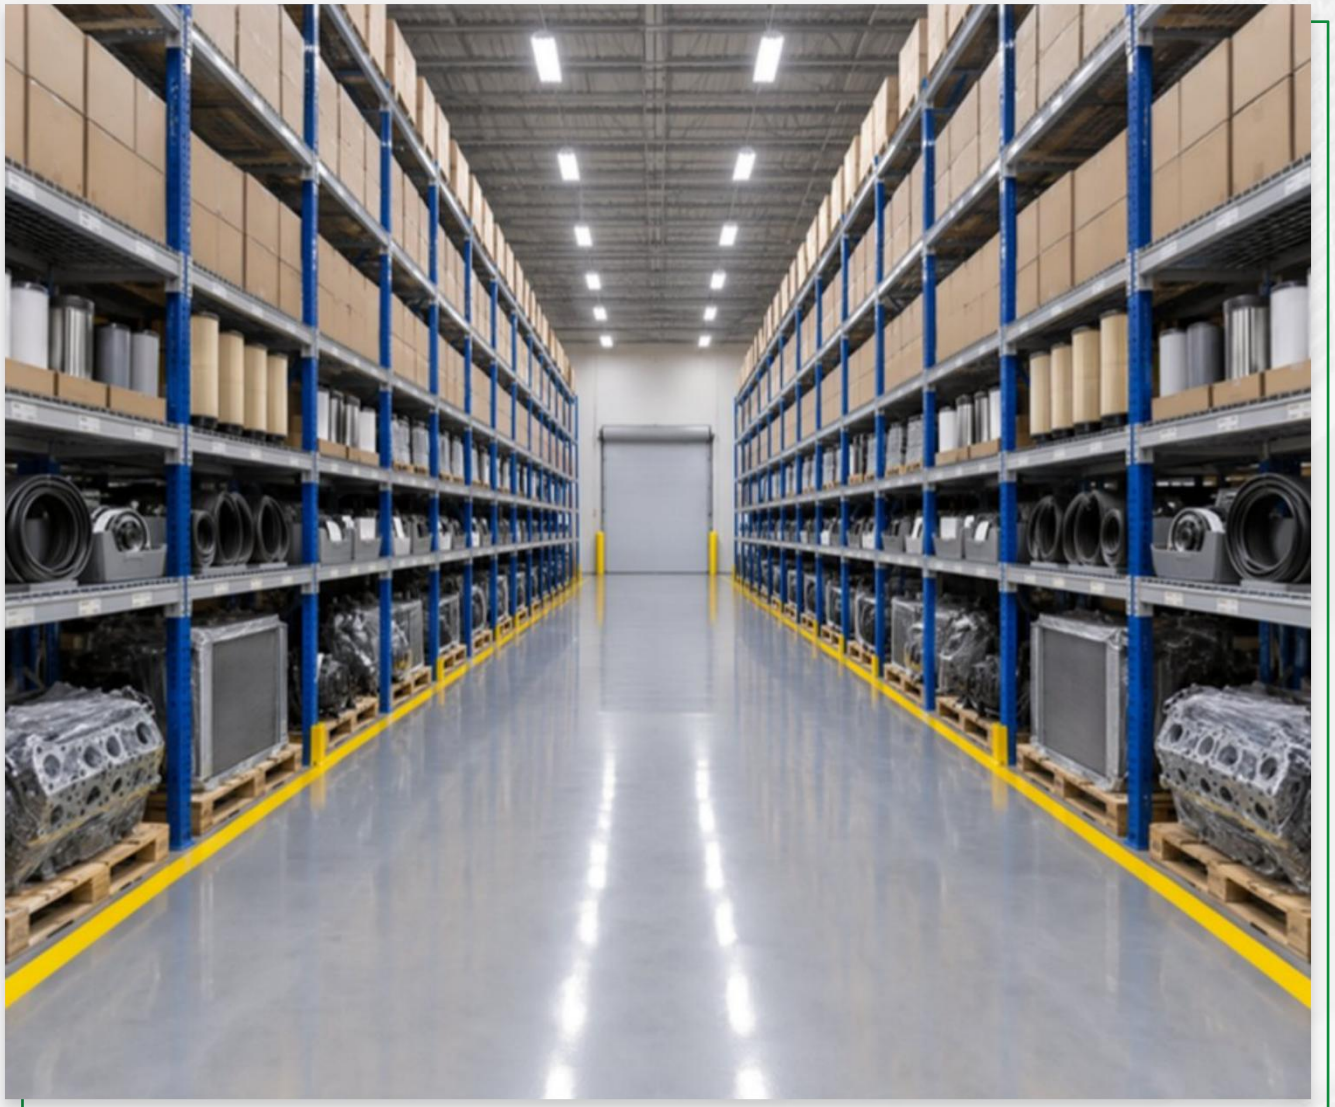

Professional technicians

On-site installation, service, and troubleshooting.

100+ units installed

Data centers, mining, hotels, factories, and offshore sites.

Warehouse & Spare Parts

Spare parts ready in our warehouse

With local stock and the factory supply network, customer spare parts needs are met quickly and to unit specification.

Spare parts available

- Oil, fuel, and air filters
- Engine components
- Fuel system
- Cooling system
- Electrical components
